Publicity

We will advertise in the following: Nevada Appeal, Record Courier, Dayton Courier, and Reno-Gazette Journal. Our street banner across Carson Street will hang the week prior to show. Flyers are also included in elementary school peechees. We will have TV spots running on local stations. We have a link on the Carson High website for the craft fair as well as a Facebook page, and are listed on the renocrafters.com website. We also advertise on the Community Center's digital sign.

Description of your Craft

Be sure to send a complete application. Do not forget to include **two postage stamps**, your **application** showing your preferences for booths, photos, and a **check payable to CHS Holiday Craft Fair**. Be sure to include **recent photos** of your **handcrafted items**. Put your name and address on the back of each photo. Include at least one showing you making your crafts and one with groupings or a booth photo. **Please do not email these** – they must accompany your application. **Applications and payments are due for returning crafters by June 1.** You will be notified of your acceptance and booth locations will be mailed out with your confirmation packet. Electricity is only available to booths against the walls of the two gyms – very limited in Senator Square and the lobby. Whether you use electricity or not, if you have a wall space, you are charged the additional \$10. **All new vendors need to send photos.** Please do not bring items to be sold that are not handmade American items. **Food vendors, please get your permits from the health department.**

Layout and Fees Associated with Placement

We use the large and small gyms, lobby, Senator Square, and the main hallway leading to Senator Square. The lobby has 10x10 spaces. The entrance is on the left side of the lobby and the raffle is in the concession booth. Santa is in Senator Square. Craft booths (10x10)(8x12) and(6x12) are located in Senator Square with food and Santa photos available throughout the fair. If you request two adjoining booths, the electrical charge is a single fee for both. End corner booths, wall spaces, and/or electricity booths are an additional \$10 fee each. If you do not have a Carson City or State of Nevada Business License, there will be an additional \$10 fee. We pay for insurance for each vendor. Booth assignment requests will be honored on a **first-come, first paid basis** for those submitting **complete applications**. If you have a preference for booth or location, include your check with the application. No unpaid special requests will be considered. Confirmation packets with booth assignments and fliers will go out in September. If your application is submitted and no payment is made by June 1, any unpaid spaces are made available to crafters on our waiting list. If you apply after June 1, please call or email me to see if we still have spaces available before sending in your application.

Set Up

Set up will be Friday, Nov. 15 from 12:00pm to 4:30pm. We will be staggering the setup times, starting at 12:00pm small gym, 12:30pm large gym, and 2:30pm for the lobby, halls, and Senator Square. Student helpers are available. **You need to check-in at the Registration table. THIS IS MANDATORY BEFORE SETTING UP. In addition, when you check in you will need to fill out a vehicle information sheet in order to pull in behind the school to unload. Once you unload, you will need to move your vehicle to the far lot by the fence and main road.** Crafters are responsible for bringing their own tables, chairs, and extension cords. Electrical outlets or hookups may be at a distance from your assigned area. You will need to bring an extension cord that can reach up to 50 feet in length. Booth boundaries will

be strictly enforced. Please do not bring small children or animals that need supervision to spend the day with you.

Raffle

Please plan on donating a handcrafted item valued at \$15 or more. Although this is considered a donation and you will get a receipt for inclusion with your taxes, it is required (this is one way we keep your booth fee reasonable). Your booth fee helps cover the cost of insurance for this event for all vendors. We are a nonprofit. All profits from our craft fair go directly to Carson High student groups. Items donated are tax deductible.

Hospitality

Friday evening there will be baked goods available to crafters and customers outside the main gym by the trophy case. **A complimentary crafters' breakfast is available on Saturday morning from 8-8:30am in the Culinary Arts restaurant above Senator Square during the morning meeting.** Food may be purchased during the craft fair from the cafeteria area near Senator Square.

Quality Assurance

Please help us maintain the quality and integrity of our show by showing only handcrafted, American-made items. No mass-produced or imported goods, please. As applications are received, the craft board will jury them. Please DO NOT bring scarves or jewelry to sell in your booth unless it has been juried – in other words, you wrote it on the application and sent pictures of the items for jurying. Included in your application packet is a map showing booth locations. **Booths are assigned on a first-come first-paid basis with complete applications.** We reserve the right to place you and do attempt to assign booths of similar crafts away from one another.

Cancellation Policy

Cancellations received in writing by **September 1** will be refunded in full. No refund requests will be processed after this date. Certain circumstances may allow a credit for next year. As a courtesy, if you have reserved a booth and become aware that you will be unable to participate, we would appreciate a prompt notification. **June 1 deadline** for confirmed crafters to send in their application and payment – unless you have contacted us and have been told there are still spaces available. If you cancel after the September 1 deadline, although you receive no refund, notification will entitle you to return the following year since notification prevents empty booths for the event.
