Publicity

We advertise in the Nevada Appeal and Reno-Gazette Journal. Our street banner across Carson Street will hang the week prior to show. TV spots run on local stations. We have a link on the Carson High website for the craft fair as well as a Facebook page, and are listed on the renocrafters.com website. We also advertise on the Community Center's digital sign.

Description of your Craft

Be sure to send a complete application. Do not forget to include **two postage stamps, application** showing your preferences for booths, photos, and a signed Hold Harmless Agreement. Include **recent photos** of your **handcrafted items** with your name/address on the back. Include at least one showing you making your crafts and one with groupings or a booth photo. **Please do not email these** – they must accompany your application. **Applications and payments are due for returning crafters by June 1.** You will be notified of your acceptance and booth locations will be mailed out with your confirmation packet. Electricity is only available to booths against the walls of the two gyms. Whether you use electricity or not, if you have a wall space, you are charged the additional \$10. **All new vendors need to send photos.** Please do not bring items to be sold that are not handmade American items. **Food vendors, please get your permits from the health department.** Once you have been juried and accepted, your booth assignment will be made and you'll be informed of the fees you need to submit.

Layout and Fees Associated with Placement

We use the large and small gyms, lobby, Senator Square, the main hallway leading to Senator Square, and two hallways on either side of Senator Square. The lobby has 10x10 spaces, one 6x14, and 8x12 spaces. The entrance is on the left side of the lobby and the raffle is in the concession booth. Santa is in Senator Square. Craft booths (10x10) (8x12) (6x12) and (5x8) are located in Senator Square with food and Santa photos available throughout the fair. If you request two adjoining booths, the electrical charge is a single fee for both. End corner booths, wall spaces, and/or electricity booths are an additional \$10 fee each. If you do not have a Carson City or State of Nevada Business License, there will be an additional \$10 fee. Exemption letters DO NOT COUNT. We pay insurance for each vendor. Please make sure that you read and sign the HOLD HARMLESS AGREEMENT. Booth assignment requests will be honored as received for those submitting **complete applications.** Confirmation packets with booth assignments will go out once you've been accepted. If your application is submitted and no payment is made by June 1, unpaid spaces are made available to crafters on our waiting list. If you apply after June 1, please call or email me to see if we have spaces available before sending in your application.

Set Up

Set up will be Friday, Nov. 18 from 12:00pm to 4:30pm. We stagger setup times, starting at 12:00pm small gym, 12:30pm large gym, and 2:30pm for the lobby, halls, and Senator Square. Student helpers are available. **You need to check-in at the Registration table. THIS IS MANDATORY BEFORE SETTING UP. When you check in, you'll need to fill out a vehicle information sheet before you unload. Once you unload, your vehicle must be moved to the far lot by the fence and main road.** Crafters are responsible for bringing their own tables, chairs, and extension cords. Electrical outlets or hookups may be at a distance from your assigned area. You will need to bring an extension cord that can reach up to 50 feet in length.

Raffle

Please plan on donating a handcrafted item valued at \$15 or more. Although this is considered a donation and you will get a receipt for inclusion with your taxes, it is **required** (this is one way we keep your booth fee reasonable). Your booth fee also helps cover the cost of insurance for this event for all vendors. We are a nonprofit. All profits from our craft fair go directly to Carson High student groups. Items donated are tax deductible.

Hospitality and Crafters' Breakfast meeting

Friday evening ONLY there will be complimentary baked goods and coffee available to crafters and customers outside the main gym by the trophy case. **A complimentary crafters' breakfast is available on Saturday morning from 8-8:30am in the Culinary Arts restaurant above Senator Square during the morning meeting. This meeting is an opportunity to get updates, ask questions, and submit the application for 2023.** Food may be purchased during the craft fair from the cafeteria area near Senator Square.

Quality Assurance

Please help us maintain the quality and integrity of our show by showing only handcrafted, American-made items. No mass-produced or imported goods, please. As applications are received, the craft board will jury them. Please DO NOT bring extra items, such as jewelry to sell in your booth unless it has been juried – in other words, you wrote it on the application and sent pictures of the items for jurying. Included in your application packet is a map showing booth locations. **Booths are assigned on a first-come first-paid basis with complete applications.** We reserve the right to place you and do attempt to assign booths of similar crafts away from one another.

TAXATION PAPERWORK and TEAR DOWN PROCEDURES

On Saturday afternoon, volunteers will circulate to collect your taxation forms. If you have a taxation ID and do either quarterly or monthly statements, please include the number on your form. If you do not have a taxation ID, you will need to estimate your show sales and include payment for the taxes collected and include this with your taxation form. Failure to turn in this form will bar you from attending this event in future and could prevent you from doing any shows in Nevada. Taxation is very strict about this!

The show is not over until 4pm. **NO EARLY TEARDOWNS ARE PERMITTED!!!!** This is strictly enforced. If customers see vendors closing up, they assume the event is over and head for the door. You are robbing vendors of potential last minute sales, which is not fair. Anyone observed closing early will not be welcomed back. We are a close-knit family of vendors and this show is vital to the school. Please give everyone the opportunity to make this a success. Students will be available to assist you in loading out. There is no rush.

Cancellation Policy

Cancellations received **in writing** by **September 1** will be refunded in full. No refund requests will be processed after this date. Certain circumstances may allow a credit for next year. As a courtesy, if you have reserved a booth and become aware that you will be unable to participate, we would appreciate a prompt notification. **June 1 is the deadline** for confirmed crafters to send in their application and payment – unless you have contacted us and have been told there are still spaces available. **If you cancel after the September 1 deadline, although you receive no refund, notification will entitle you to return the following year since notification prevents empty booths for the event. NO SHOWS without notification are barred from any further participation.**

Mail your application to: Carson High Holiday Craft Fair P.O. Box 305 Carson City, NV 89702. DO NOT MAIL ANYTHING TO THE HIGH SCHOOL! For information, call: Cathy Barbie (775)882-8109 or email me at: barbiecathy55@gmail.com
