

Dear Vendor:

Let's do this again! We are pleased to invite you to apply for our Harvest Festival & Craft Fair. The event will be held on Saturday October 15th and Sunday October 16th with hours from 9:00am to 4:00pm on both days.

The craft fair will be held outside on the south lot of our property which is located on the corner of Pyramid Way and Oddie Blvd. in Sparks. This is the same location that we hold our long running Tuesday morning Farmers' market and is a great location for the craft fair! We will also be holding our annual Pumpkin Patch event during the craft fair. This is always a big draw in the area, and we will have over 1,000 premium pumpkins for sale.

The fee for the 2-day event is \$55.00, and vendors will be provided a 10' by 10' space. You will need to furnish your own tables and shade structure with anchors. If you plan to sell prepared foods, you must meet all the Washoe County Health Department requirements. No on-site food preparation.

We will have food and beverages for sale during the event. We will provide vendors with a complimentary coffee and a food voucher. We will also have volunteers to watch your booth as needed for a break.

All vendors are responsible for collecting and reporting sales tax. We will have a one-time sales tax return available for those vendors without a Nevada Sales Tax Permit. For those vendors with a Nevada Sales Tax Permit, you will be allowed to remit payment of the taxes collected at the event on your "regular" Sales and Use Tax Return.

Vendors may set up after 3pm on Friday or early on Saturday morning according to your space assignment. We will have a volunteer on-site at night, but you are advised to not leave valuable items in your booth when it is not attended. We do not assume responsibility for your products.

There will be no early takedown of your booth! Be prepared to stay until closing on both days. An early takedown of your booth will cause you to not be invited back.

The following items are NOT eligible for sale as arts and crafts items: *Commercially manufactured craft items that are not significantly altered; a piece may incorporate some commercially produced parts, but the design and execution of the work must be the product of the exhibiting Artisan's skills; alteration and enhancement by the Artisan and handcrafted components must dominate the commercial components *Mass produced items *Resale items *Kits *Drug paraphernalia, weapons, including but not limited to: guns, knives, swords, bows, and arrows.

Register early! We will hold a space for you based on date of return of the application. Return your completed application by mail to the church at the above address with your payment. Payment of \$55 is due by September 15th. For late registrations, the fee will be \$75 after September 15th.

We will contact you prior to the event with your booth number and more details. If you have any questions, please contact Julie Smith by e-mail at smithjulie2004@gmail.com or at phone number (775) 287-4442 or Megan Bay at 775-358-0925. Please leave a message and we will get back to you.

We look forward to working with you!

Sincerely,

Julie Smith
